

Mirko Dölger.

Founder · Operator · Builder

Zug, Switzerland @itsmiroko in/mirkodoelger miroko.si

Founder and operator who builds as well as he directs. Co-founded UniX Gaming and Yaga Games, raised capital and built teams in Web3 gaming, led 400+ people through cruise-ship openings, and now builds AI-native products with an agent crew. Open to C-level and founding roles.
